Office of Public Instruction
Denise Juneau, State Superintendent

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

Our Challenges

- We know our communities have survived tough challenges that few other Montanans have faced
- Everyone suffers in a school system that doesn't work for the kids or the adults
- Our resiliency & strength keeps us going

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

Our Shared Vision

- Schools should be healthy, safe environments where kids and adults have the opportunity to thrive
- We all want our kids to get a great education → choices in life
- We know we can't do it alone

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

The Opportunity is NOW

- We are at an unique crossroads that we cannot afford to let slip through our fingers
- Denise Juneau as our State Superintendent, national priorities & funding, and the momentum we see from school board trustees, educators, parents, and community members -- the time to act is now

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

Unprecedented Collaboration

- Nothing like this has ever been done in Montana before
- This isn't a typical federal grant where we get money and cross our fingers in hope that it works
- We're building a collaboration to bring in state-of-the-art practices, resources, & expertise so our kids get the education they deserve

Our work will be known

- Our hard work, creativity, and optimism will yield wisdom and important lessons that will benefit Indian schools & communities across the country
- Working together, we truly will create Schools of Promise in Montana

SIG Goal

- To send a clear message, we need to work together to make each school look and feel different on the first day of school in the fall
- Develop relationships with communities, organizations, and all stakeholders to focus on academic achievement and continuous progress

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

In order to participate in SIG, eligible schools had to:

- (1) Sign an Implementation Agreement to clarify main components of SIG requirements
- (2) Agree to OPI's role in grant
- (3) Sign a Memorandum of Agreement to allow activities not currently allowed in local Collective Bargaining Agreement
- (4) Complete these tasks by early June

opi.mt.gov

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

4 out of 5 eligible schools completed these tasks and now:

- (1) Formed a team of 12: 4 teachers, 2 admin, 2 trustees, 2 students, 2 community members (varies / district)
- (2) Met in June in Great Falls to begin teamwork & overview of District Action Plan
- (3) Continue to work locally on District Action Plan with OPI school coach facilitation

The Montana Office of Public Instruction provides vision, advocacy, support, and leadership for schools and communities to ensure that all students meet today's challenges and tomorrow's opportunities.

SIG Requirements

- All the requirements must be in the Implementation Agreement and addressed in the District Action Plans
- OPI reviewed them with each district's Board and local union representatives this spring
- We seek to have the implementation of the requirements be transparent, collaborative, full of shared vision, and helpful in building the capacity of each school and community

Transformation Model Overview

Teachers and Leaders

- Replace principal
- Implement new evaluation system
 - Developed with staff
 - Uses student growth as a significant factor
- Identify and reward staff who are increasing student outcomes; support and then remove those who are not
- Implement strategies to recruit, place and retain staff

Instructional and Support Strategies

- Select and implement an instructional model based on student needs
- Provide job-embedded professional development designed to build capacity and support staff
- Ensure continuous use of data to inform and differentiate instruction

Time and Support

- Provide *increased learning time*
 - Staff and students
- Provide ongoing mechanism for community and family engagement
- Partner to provide social-emotional and community-oriented services and supports

Governance

- Provide sufficient operating flexibility to implement reform
- Ensure ongoing technical assistance

SIG Requirements

- OPI staff in schools, working with district on:
 - team building
 - school improvement
 - teacher professional development
 - collecting & analyzing data
 - assessment
 - student involvement
 - community engagement & involvement
- Help district to FOCUS FOCUS FOCUS: this effort is much more than programs: it's system-wide thinking & doing!
